Williams Natural Gas Company; Notice of Request Under Blanket Authorization

September 23, 1996.

Take notice that on September 18, 1996, Williams Natural Gas Company (WNG), One Williams Center, Tulsa, Oklahoma 74101 filed in Docket No. CP96-799-000, a request pursuant to §§ 157.205 and 157.216(b) of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205 and 157.216(b)) for authorization to abandon in place by sale to White Hawk Gas, Inc. (White Hawk), approximately 4.5 miles of the Hogshooter 16-inch pipeline located in Washington County, Oklahoma, under WNG's blanket certificate issued in Docket No. CP82-479-000, pursuant to Section 7(c) of the Natural Gas Act, all as more fully set forth in the request which is on file with the Commission and open to public inspection.

WNG explains that the Hogshooter line, originally installed in 1914 and certificated in Docket No. G-298, has been effectively converted to a low pressure delivery lateral. WNG states the sales price as \$17,846. WNG further indicates that the domestic customers served from the pipeline to be abandoned will be served by the local distribution company, Leann Gas.

WNG states that it has sent a copy of this request to the Oklahoma Corporation Commission.

WNG maintains that this request to abandon in place by sale is not prohibited by an existing tariff, and therefore this request complies with the requirements of subpart (b) of Section 157.205 of the Commission's regulations.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to § 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to

be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.
